3 Valley Gap History...

- The rock slide that closed the highway occurred on Good Friday, April 9th, 1993.
- We built our own Hydro System in the valley to the South.
- Our resort boasts 200 rooms.
- The elevation is approximately 500 meters or 1639 feet.
- 3 Valley first opened in 1960 with a seven-room motel and a seven-seat coffee shop.
- Our Roundhouse has the largest covered railway turntable in North America.
- We moved the 1915 Case Steam Tractor to our gardens from Briercrest, Saskatchewan in 1960.
- 3 Valley Lake is home to Kokanee, Rainbow and Lake Trout.

We open from mid-May to early October.
